Consumer Products End User License Agreement

NOTICE TO ALL USERS: If you are an individual, you must be at least 18 years old or have attained the age of majority in the state, province, or country where you live to enter into this agreement. If you are acquiring the Software on behalf of an entity, you must be properly authorized to represent that entity and to accept this agreement on its behalf.

Please read this agreement carefully. "We," "us," and "our" mean McAfee. By clicking the "Accept" button or installing the Software, you accept the terms of this agreement and understand that it is enforceable as a written contract signed by you. **If you don't accept the terms, click on the "Do Not Accept" button and do not install the Software. If you don't accept the terms and you bought the Software on a CD-ROM or other tangible medium without the chance to review this license, we will refund the amount you originally paid if you: (1) do not complete installation of the Software and do not use it, and (2) return the Software to the place where you bought it, with proof of payment, within 30 days of the purchase date.**

- 1. License Grant.** We grant you a nonexclusive, nontransferable, nonassignable, revocable license to install and use the Software and to access and use the applicable Services subject to the terms of this Consumer Products End User License Agreement ("EULA") and any restrictions specified on the Software's packaging or in the Software or Service
